## Mrs. Beverly Boston

My mother is thoughtful. She is a beauty. She is kind and she is forever on duty. She is our mother, and for that, we forever love her. Happy Mother's Day!

## Mrs. Dianne Edwards

I'd like to recognize my mother, Dianne Teresa Edwards, for her many sacrifices and selflessness she embodied despite being a young mother to my sister and I. My mother introduced us to Christ and exhibited Christian values in her daily life and to those she befriended. I love you Mommy. Happy Mother's Day. I miss you.

## Mrs. Rhonda Edwards

I would like to express my love and admiration to my wife as she is such a divine mother and woman of God. Her motherly love is so genuine that it almost appears effortless yet impressive nonetheless. Her family first attitude is shared by us all. Happy Mother's Day Rhonda Edwards. Your family loves you. And you are so greatly appreciated for all you do and who you are.

## Mrs. Benita Smith

Volume V, Issue 2

When I think about my mother; I think of love and support. She has encouraged me to pursue my passions from the very beginning. When my mother found out I wanted to be a scientist she purchased me my first dissecting kit and allowed me to explore why our pet fish died. She has been my biggest cheerleader throughout my journey and I truly believe this has helped me do the things I had to do in order to accomplish my goals. She may not have always agreed with my choices but the love and support were unwavering. Thank you Benita Smith; your love and support continues to this day for which I am forever grateful.

## Mrs. Shirleen Ware

Happy Mother's Day to my mother-in-law, Shirley. She is more than a mother-in-law, she is a mom to me. Whenever I need her she is always there no matter what time of day or night. I can always count on her. She's the kind of mother-in-law that every woman dreams about. So I will nominate her for best mother-in-law in the world.

## Mrs. Gladys Louise Waiters

My mother raised all 5 of us and went without to make sure we were taken care of. She has always worked and tried to instill in us the importance of work and making something out of our life. She is not just a mom but a true mother.

## Mrs. Willa Mae Boston

Not many can say they have a supportive mother who is also a best friend. As a teenager/young adult she stood behind me because she knew I would make mistakes. She never stopped praying for me and trying to guide me. She was always there even when I didn't see it or didn't want to admit it.

Now that I am older we walk beside each other as only best friends can do. Ma, I truly love you and I just want to simply say "THANK YOU"
